

## Heidi Grace Designs Decorative Files Boxes & Folders

Manufactured by Fiskars, \$9 for file folders, \$25-\$33 for file boxes

Want an attractive, useful way to store your papers and works-in-progress? These decorative file boxes fit the bill and are sturdy and fashionable to boot. The large striped file box and lid include sixteen 12 x 12-inch file folders. The polka-dotted small file box and lid include sixteen 8 x 8-inch file folders. Each laminated folder has a scallop-edged tab and is available in floral and diamond patterns. Extra file folders may be purchased in eight-count packages in both 8 x 8-inch and 12 x 12-inch sizes.

## Halloween Paper & Accessories

Manufactured by Making Memories, \$.99-\$7.99 each

When the lamplight dims and the harvest moon glows, what better way to prepare for Halloween than with this creative assortment of papers and tantalizing treats? Choose from a variety of paper in warm fall colors, filled with silhouettes of all those things that go bump in the night, as well as creepy-crawly festive stickers and spookily shaped mini brads and foam stamps. The collection is perfect for mixing and matching to create ghoulishly gorgeous party invitations, Halloween greeting cards, page layouts and more.

## Cutter Bee Piercing Bugs Rotary Tool

Manufactured by EK

Success, \$8.99 for a two-tool package

Have you been shying away from sewing on paper because it seems to be daunting a task? The Cutter Bee makes embellishing with fibers fun and easy. Each package contains a single- and a double-row piercing Cutter Bee. Simply roll the Cutter Bee across your paper on a soft surface such as cork or a self-healing mat, and then, using a very fine-gauge needle, stitch through the pierced holes with specialty thread, ribbon or other fiber. When the tools are not in use, a safety features allows the blades to be retracted inside.

\*10 readers will each win one Cutter Bee Piercing Bugs Rotary Tool package. Visit [GiftMakerMagazine.com](http://GiftMakerMagazine.com) to enter and for complete rules.

## Bind-It-All

Manufactured by Zutter Innovative Products, \$59.99

An excellent asset to creating your own diaries, journals, scrapbooks and keepsake booklets, Zutter's Bind-it-All allows you to punch and bind in a few brisk steps. Simply place your covers and pages—cardboard or paper—in the Bind-it-All, punch holes for your wires with an easy push of the lever, and use the same quick motion to seal them. Simple, multipurpose and small enough to keep in a drawer, the Bind-it-All is a creative and helpful instrument for anyone from the casual hobbyist to the serious bookmaker.
