

the perfect size for recipes or photos. Tabbed sheets in either scrapbook film or white chipboard are available in refill packs. The Scrap-o-dex is perfect for a class project. Visit www.zsiage.com for more information, and while there; check out the newly released Stadium Book. This 5" x 12" book has multi-level pages, making it a great choice for a family traditions album or a child's school album.

For blank board book ideas, [Board Book Play](#) from **Create & Treasure**, a division of **C & T Publishing**, provides great inspiration. Techniques are explained, and there are a number of unique looks. Though the book targets the company's **Ready To Go! Blank**

Board Books line, the ideas in the volume are versatile and can be used with any of the products featured in this article.

Some creative souls may prefer using their blank chipboard or acrylic in conventional scrapbook sizes, and then bind these elements themselves. Perhaps you

It punches through thick chipboard, cardstock (up to 8 pages at a time), plastic covers, even chipboard covered in fabric. It is great for making books, albums, journals, and calendars. The binding wires are available in sizes from 5/16" to 1 1/4". The **Bound 2 Bind** book, also available from the company, showcases design ideas and includes detailed tips and suggestions for using the machine. Go to www.BindItAll.com for more information on the machine.

[Gift Box Studio™](#) line from **Create & Treasure**, part of **C & T Publishing**, is the answer for those customers that want to have beautiful gift boxes, but don't have the time or inclination to complete them. Currently available in two styles, Luxe and Lively, each collection includes reversible gift boxes, cards, and envelopes that are pre-cut and ready to go. The customer just pops out the box, assembles it, and they have the perfect decorative container. The 12" x 12" pad contains 11 gift boxes, 16 gift cards, tags, envelopes, and over 100 embellishments. MSRP is \$14.95 www.createandtreasure.com
