The Zutter Kutter has a Lifetime Limited Warranty

USA design
Patent pending

Item 7607

**Zutter Kutter
Replacement Blade**
1 piece
Item 7612

- Cutting blade has adjustable height
- Allows perfect scoring or full cuts in stages
- Paper stop guide fits on either left or right side
- Cuts foam board and art board with ease
- Takes on the toughest cutting jobs that lightweight trimmers can't handle
- Trim and cut nearly any material
- Full 13" of cutting capability
- Ideal for architects and model makers

The Zutter Kutter

Cut through most materials with ease!

- Zutter Canvas Art Board
- Zutter Clipboard Wood
- Chipboard
- Stacks of cardstock
- Foam board
- Corrugated cardboard
- Leather
- Fabric covered materials
- ... and much more!

Product Features:

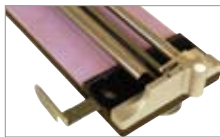

- Reversible blade for long lasting, trouble-free cutting
- Concealed blade for safety
- Four blade height adjustment settings
- Accommodates materials up to 13" wide
- Cuts or scores materials up to 7/32" thick

Cutting carriage is mounted with durable bearings, designed for years of enjoyable use.

A true symbol of quality.

Paper stop guide can be fitted to the right or left side of the Zutter Kutter.

Bind-it-All V2.0

ITEM 2811

Bind-it-All V2.0 is better than ever!

Now with more features for greater versatility and simpler operation.

Create projects with maximum accuracy and ease!

Overview

Bind-it-All V2.0 has all the fabulous features from the original Bind-it-All plus newly added upgrades.

*35% greater capability in punching thickness.

*Punch fabric covered covers, canvas, or covered acrylic with ease!

*Extension Paper Guide Bar (the Bar)

*Numbered register marks on the bar for punching accuracy for projects up to 12 1/2".

*Extension Paper Stop Guide Plate (the Plate)

*Provides punching accuracy for projects smaller than 4" width (down to a minimum of 1").

*Extension Paper Guide Bar Locking and Release System. Allows left and right hand application.

*Overall version 2.0 is stronger and more versatile in all its capabilities.

*And we heard you! We made it Pink!

Front Slot (Thirds)

1. A 12" x 12" gives you three 4" x 12" strips

2. The 4" x 12" strips will now give you perfect 4" x 4" pages

Back Slot (Halves)

1. A 12" x 12" gives you two 6" x 12" strips

2. The 6" x 12" strips will now give you perfect 6" x 6" pages

ITEM 2812

So easy - So fast

These are only a few of the many cuts
the Dreamkuts can perform

ITEM 2806

ITEM 2805

Round-it-All Tote

Durable pouch to
carry the Round-it-All
anywhere & everywhere

ITEM 7550

Journal Making Tool Kit

All the tools you'll need to create the perfect book or journal!
The tool kit comes in a designer carrying pouch and includes:

- *Carrying pouch made of durable 600D polyester
- *6" stainless steel ruler (with anti-skid cork backing)
- *Bind-it-All designer ball point pen
- *Mini pliers with soft touch handle
- *Small precision scissors
- *Mini wire cutters with soft touch handle
- *Scoring tool (handmade of real bone)
- *Piercing tool (with storage compartment for needles)
- *Large heavy-duty sewing needles (2pcs.)
- *Precision craft knife
- *Spare blades for craft knife (6 pcs.)
- *36" measuring tape (inches & centimeters)

*Components subject to change

ITEM 2814

Space Bar

ITEM 2816

Installing the space bar will
Adjust perforations closer
to the edge of the paper.

Perforated holes closer to the edge will allow
proper performance when using smaller
diameter Owire bindings (3/8" and 1/2").
Essential in special Bind-it-All project applications.

Without Space Bar

With Space Bar

Wire Cutters

- Specially designed for your wire cutting needs
- Comes in a durable 600D polyester pouch

ITEM 2815

Bag-A-Bind

Now you can transport your Bind-it-All in style! With room for your scrapbook essentials, this tote is perfect to take with you anywhere!

The bag features:

- Outside slots specially designed for scissors, markers and tools
- Outside front zipper pocket
- Side mesh pocket that allows you to see what you're storing
- Outside full back zipper pocket
- 2 mesh pockets inside, one that zips and another that is elastic
- One side open pocket
- Side strap to secure other products
- Front internal mesh zipper pocket
- 2 pen holder slots

About Us

The Bind-it-All V2.0. The DreamKuts. The Round-it-Alls and more!

Zutter Innovative Products has brought excitement and versatility into the scrapbooking environment like no other company. The introduction of customizable, professional quality double Owire bindings and the incredible applications of companion products has brought satisfaction and enjoyment to scrapbookers around the world. Their creative applications are endless!

Zutter's two areas of emphasis are:

- Expert development on a variety of cutting-edge, well designed, durable tools for the scrapbooking and stationary industries.
- Production of items for celebrity scrapbook designers and distribution companies for the scrapbooking market.

We are very proud to have been manufacturing and supplying scrapbook products for over 20 years to companies such as Xyron, Teresa Collins, Chatterbox, All My Memories, Konica Minolta, Li'l Davis, 7 Gypsies, Karen Foster and KI Memories. Our products have been presented around the world and have amassed a devoted following in the United Kingdom, Australia, Netherlands, Italy, France, Spain, Canada, Korea, Japan and South Africa.

Please be sure to visit our websites for product updates, company announcements and ordering information.

Zutter Innovative Products is a division of Int'l Trading Contacts, Laguna Hills, California.
